- Note the first item on "Thin Skin, etc"
- I think PSG thinks it is following my instruction, but they missed part of same -- there is no indication of who (NPIC) issued this report, and when they issued it, and for what purpose ^(BIB) A heading in other words!

WORKING PAPER

JH AND ACL FOR INFO ON THE "CHINA SEARCH"

1. [] IS PROBABLY GOING TO BORROW THREE MORE MEN FROM DIAPP9 TO PUT ON THE PROJECT. [] IS TO LET HOWIE KNOW -- AND ALTHOUGH I DOUBT HOWIE WILL WANT TO ADD THREE MORE HE SHOULD AT LEAST BE GIVEN THE OPPORTUNITY. [] WILL KEEP YOU POSTED.

2. [] IS TO LET YOU KNOW WHEN THE EFFORT HAS GOTTEN BACK TO PHOTOGRAPHY OF THE [] VINTAGE -- WILL THEN REQUIRE A DECISION AS TO HOW MUCH FARTHER BACK THEY SHOULD GO --

I'M INCLINED TOWARD INCLUDING 1967 PHOTOGRAPHY FOR TWO REASONS

25X1

- A. THE VERY EARLY STAGE OF THE WU-CHAI COULD BE SEEN IN []
- B. THE DETAILED NATURE OF THE SEARCH CAN PROVIDE UNUSUAL AND VALUABLE DATA TO COMPARE AGAINST THE COLLECTION RECORD {PLANNED AND REPORTED ACHIEVED}

AFTER COMPLETING ALL OF 1968 PHOTOGRAPHY WITH THE FULL JOINT TEAM A COMPROMISE APPROACH USING JUST SOME OF THE NPIC PERSONNEL MIGHT BE THE BEST/MOST ECONOMICAL APPROACH []
